SIGNATURE MENU

Driven by the expertise of Executive Chef Omar El Khatib and his 15 years of culinary mastery, this signature menu celebrates traditional flavors and the essence of Lebanese cuisine. Together with the talented team at Florae, each dish is thoughtfully crafted to create a memorable dining experience, where creativity, technique, and elegance come together on every plate.

The background is a solid teal color. In the top right corner, there is a faint, light-colored silhouette of an olive branch with several leaves. In the bottom left corner, there is a similar, slightly darker and more detailed silhouette of an olive branch, showing more leaves and a small cluster of olives.
